

Thank you for your interest in the Harvest Moon Festival, which runs from September 6 - 8, 2019. Autumn in Ely is a time of the traditional fall harvest, beautiful fall colors, and our Harvest Moon Festival. We hope you will consider applying to our fall art and craft festival which includes a one day farm market and some wonderful entertainment.

This is a juried festival for original arts and crafts. Acceptance to the festival is by jury selection. Completion of the application with a detailed description of your work and photos is required for consideration. The jury meets in April after the deadline for returning vendors. At that time we will know how many openings in the various categories are available. The jury bases their selections on originality and quality of your work and the diversity of the festival.

As you review the application and festival policies please make sure that you will be able to comply with the guidelines for set up, breakdown and attendance during all three days. There is a complete description of each category in the festival policies. Please refer to the listed categories when completing your application.

If you have any questions regarding the application or festival policies, please call us at 218-365-6123 or email us at info@elyart.org. You may submit your application by mail or email.

Thank you for your interest in the festival. We look forward to reviewing your application.
